Editor's Letter

Oh dear, it's a risky world out there, isn't it? And you're not even safe in your own home! Every time you fire up the computer you're in danger of getting trolled to death by potty-mouthed ill-wishers, and while you're at it everyone from the FBI to your corner shop finding out just about everything there is to know about you, from your inside leg measurement to when you last went to the lav! Well, let me be the first to reassure you that no copy of *Men Only* has ever been fitted with any sort of bugging device, so any secrets you might have are safe with us! After all, we're far too busy fending off all these horny models to be worried about stuff like that!

Michelle Thorne's SPUNKMAIL

Anything to say about our last issue? Then this is the place to do it! Come on, Michelle's gagging for it!

Dear Michelle,

Winter always makes me feel so blue, so when summer finally arrives I am more than ready for it. I love everything about summertime; the hot weather, the bikini-clad women, drinking cold beer outside the pub with friends and making some brilliant memories, to get me through the long winter. And this summer has been no exception – meeting Ruth was the highlight of this year so far, and it's one I don't think I'll beat!

It was a weekday lunchtime, and the lads and I were having a kickabout in the park opposite the building site where we work. We'd noticed a group of three girls sunbathing in little shorts and bikini tops, and as we played, we realised that they were not only watching us, but were heading our way, too!

We got chatting and were all getting on really well, considering we'd only just met. I know I'm not exactly God's gift, but for some weird reason the sexy brunette Ruth decided I was her type, announcing that, "Joe and I are made for each other, so we're going to go and buy an ice-cream together!" Although surprised, I went along with it and took Ruth's arm to accompany her to the ice cream van.

The park is landscaped into different sections including a 'wild area', and it wasn't until she led me behind this big group of rocks and bushes that I finally clicked – we weren't going for ice cream, she was after something a whole lot different. As we hid behind the unruly mess of plants, weeds and boulders, I thought that I might get a snog or a grope, but as she instantly began to rub my hardening dick through my clothes, it soon dawned on me that she was up for way more!

I couldn't believe I was getting it handed to me on a plate like this. She certainly didn't look like the desperate type – she was a good-looking girl and could have anyone she wanted – so it was all the more surprising that she'd grabbed me for a fumble in the local park. I didn't hang around thinking it through too long, however – I just went for it. She seemed to know this bit of the park, and I couldn't help but wonder how many other blokes had fucked her here previously. Not that it made any difference to me right then!

Ruth was talking dirty to me now, telling me that she had a reputation for giving brilliant blow-jobs, and that I was going to find out just how good. Shoving me back against

a rock, she passionately kissed me, sticking her tongue inside my mouth and exploring around. Her hands stroked down over my chest and towards my crotch, before snaking their way inside the baggy joggers I was wearing, to grope my cock and balls.

After just a few seconds of feeling and groping, she really got down to business; she dropped to her knees and pulled my trousers and pants down around my ankles, before taking my hard prick in both hands, tip and root, and feeding it into her waiting mouth!

The moment her lips closed around it, she began to give me an all-out, full on sucking. She was moving her mouth up and down the top part of my shaft like she was wanking it, while one of her hands was clenched around the rest of it, moving up and down. I had never experienced this technique before, and it definitely had the desired effect!

It was, in fact, was working a bit too well – especially when Ruth's other hand started to caress my balls and her tongue made

rings around my helmet! It was almost too much! So, when I started to fuck her face and she just took it, loving it, I thought I'd blow my load right then. She'd spoken the honest truth about how good she was at sucking cock. Time was obviously limited, so I had to decide – should I let her carry on and spunk my bags down the back of her throat, or should I try and get a fuck out of it?

Well, in the end, Ruth made the call. She suddenly let go of my dick – leaving it sticking up in the air resembling a flagpole – before wriggling out of her shorts in the horniest way, and laid back on the ground, all spread open. She licked a

"Her hands stroked down my chest and towards my crotch to grope my cock..."

Dear Michelle,

I just had to write to you again to say thank you for the lovely Fawna on 78.08. What a girl, with her lovely hairy pussy! I loved the pictures of her holding her pubes – my cock was stiff in seconds! And her lovely boobs as well... well what can I say?!

I hope she'll be back soon, and hats off to Steve Colby, who's always been a great photographer.

Also in the same issue I have to praise the lovely Mia, holding her pussy open for us, and Beth – and not forgetting the stunning Aubrey! I hope you manage to find some more hairy pussies for us soon!

Bob, Norfolk.

Michelle says: We're always on the look-out, Bob – but pubes these days are pretty few and far between!

Regular readers may well remember Brittany – she first appeared in *Men Only* a year or two back, but for some strange reason we haven't seen her since. So Brittany, where have you been?

"I've been concentrating on my studies, so I didn't really have any time for modelling. I've been doing an MA, and it's not really the sort of thing you can do as a sideline, but I'm all finished now, and to celebrate I thought I'd get in touch and see if you wanted to set up another shoot!"

Well we're certainly glad you did – and we're also glad you're doing your bit to disprove the old stereotypes about glamour models being a bit ditsy! So what have you been studying?

"Business studies – I'm a very driven person and I've got plans to set up a couple of businesses. Now the studies out of the way I just trying to set up the first one now, in fact..."

Hmm, if it weren't for the fact that you're not a totally objectionable, self-deluding tosser, we'd suggest you go in for *The Apprentice* or something.

"No, I'm not interested in that, thanks. And besides, you guys would have a field day!"

Who, us? We wouldn't dream of it!

SUPER CAM

Dear Michelle,

Thank you for the pictures of Camilla Jayne in your latest issue (*Issue before last, mate!* – Ed.). How I would love to hold her close to my naked body and lick all over her desirable body – especially her tattoos!

I'm a fan of Babestation and Bluebird TV, and Camilla is one of my top favourite girls. I can't wait to see more pictures of her in your magazine, and it would be nice to see some of the other TV babes in *Men Only* as well!

Incidentally, Michelle, I read somewhere that you had appeared on *The X Factor* – well so have I! I was on it last year belting out a Take That song – you can see it on You Tube if you like!

To all at *Men Only*, keep up the good work – not to mention everyone at all the other Paul Raymond titles.

Alan, Scotland.

Michelle says: Yes, I was on *The X Factor* a few years ago – I've got quite a good set of lungs on me, you know! Perhaps we should get together for a duet...?

her out – it was all about my cock right now. I don't think I could have got her any wetter than she was; the juices were spread all over her crotch and bubbling down her arse crack – and all I'd done at that point was kiss her!

Nestling my cock in position at her fanny hole, I drove right into her, tip to hilt, in one fast move. She had moaned a bit while we'd

coat them with her juices, then I pulled them out and stuffed them in her mouth for her to suck on.

It was like my fingers were getting a blow-job. I'm not sure she could have got me coming like that, but every suck on them seemed to remind my cock of how her lips had felt around it. She wrapped her

as I could and let her have it, emptying both bollocks up her cunt. As I pulled out, she got me on my back and sucked it clean. Now it was me trying not to make too much noise as I felt so tender, but her mouth was making my cock jerk as she milked the last few drops from it.

PINK LADY TOUCH VIBRATING FLESHLIGHT

Lovehoney.co.uk
£64.99

Fleshlights of various sorts have been knocking around for some years now, and have proven to be one of the most popular male masturbators on the market. It's not hard to see why, either – there are numerous insert options meaning the true devotee may well want to have several different models, each one offering a slightly different sensation on the old chap. Well now Fleshlight have only gone and added another dimension to their latest model – vibration.

First things first, though – the real success story of the Fleshlight is the texture of the inserts – they call the stuff Real Feel Super Skin, which might sound a bit immodest but actually isn't too wide of the mark. The

whole thing's waterproof as well, which while you probably wouldn't want to use it in the bath (lube issues) does mean that you can warm the insert up to body temperature by submersing it in hot water for a minute or two prior to use. Once you've lubed it up after than, they you really do have a pretty convincing approximation of the feeling of a real human fanny!

The vibration, meanwhile, comes via three bullets that can be slotted into little pockets in the insert. You don't need yo use all three, of course, so you've got plenty of options to vary the level of stimulation they provide. On top of that this new model's got a brand new sleeve design, with nodules that move back and forth with you, producing a rather unique sensation. All in all, a high quality stroker that should keep you happy as Larry for many a moon!

DAWN CHORUS

Dear Michelle,

What a treat, to see the ever sexy Linsey Dawn McKenzie back on the top shelf where she belongs! I'm not sure if she's old enough to qualify as a MILF yet, but I can't think of too many more people ILF, if you know what I mean (maybe you for starters, though)!

That gorgeous pink pussy of hers, which she shows off so well on page 58, looks wonderfully tight and welcoming, and I hope we'll be seeing plenty more of it – not to mention the rest of Linsey – in the magazine again before long!

Martin, Amersham.

Michelle says: Thanks to everyone who wrote in about Linsey – she's clearly got a fanbase every bit as impressive as her luscious body!

Suddenly, I could hear my mates calling me – lunchtime was over and it was time to get back to the site. As we walked back to join them, I felt myself getting hard again at the sight of Ruth's arse in her tight shorts, just ahead of me.

I spent the whole afternoon in a daze. The boys knew something had happened, but didn't believe me when I told them – they

“Nestling my cock into position at her fanny hole, I drove right into her, tip to hilt.”

reckoned I'd just got a snog or something. To be honest I actually don't give a fuck if they believe me or not; I've got all the memories I need to keep me wanking through next winter and well into next year!
Joe, Crewe.

Having appeared in our sister title *Mayfair* a couple of time, South Yorkshire hottie Kayla Louise is now making her *Men Only* debut – so let's all give her a great big hand! We'd like to kid ourselves that a girl from Sheffield was all wide-eyed with wonder when we got her down south for this shot, but the truth is she was every bit as sophisticated as us (*Well that's not saying much, is it? - Ed.*).

Try as we might, we couldn't make much of an impression on her with out poncy London ways – all the talk of trips to the National Gallery and West End shows left her distinctly unimpressed.

"We've got all that in Sheffield, thank you very much!" was what she said when we pressed her on the matter. "The Crucible Theatre isn't just for snooker, you know – we get all sorts of major productions there, and it doesn't cost anything like as much as a night out in London!"

Hmm, OK, fair enough. To be honest, if we had the company of Kayla for the night, it's probably be a cosy night in we wanted anyway...

"Well now you're talking – who needs the theatre or galleries when you've got a comfy bedroom?"

Ah, a girl after our own hearts!

BEHAVIOUR

Sophie sounds like a very neighbourly sort to us!

My name is Sophie and I have just turned 19. I have long blonde hair, a super-fit body and (even if I do say so myself!) a face to match all of the above. It's not that I am vain, it's just that I have been complimented about my looks so often that I now take it for granted that I'm usually the prettiest girl in the room. I left school last year and I am now going to University in my home town, which means I can continue to enjoy all the home comforts while having a lot more freedom.

“My pussy throbbed and I felt my juices flow, even before he touched it.”

Over the past year I have become quite experienced sexually, and pretty much had my pick of partners. It has been fun but I have always held a secret passion for one of our neighbours, which meant none of my boyfriends ever quite matched up to my fantasies.

I had fancied Rob for years. The problem was that Rob is very much older than I am, in his 30s in fact, and while he was always friendly and kind, even with my good looks he never seemed to notice me, no matter how hard I tried to engage his attention.

All that changed this summer. I had just broken up with Gareth, my boyfriend, for continuing to be an inconsiderate tosser, and I drove back home from Uni in a bit of a sulk. It was very hot that day. My parents were away that week and as I parked up outside my house I noticed that Rob was also home as his car was sitting in his drive.

Feeling mad at Gareth made me brave. I usually wear a bikini when sunbathing, but as my folks were absent I took the opportunity to sunbathe nude. Knowing that Rob was next door made the prospect all the more exciting, and I set my plan to attract his attention in motion. Placing my sun-bed in the middle of the back garden facing his house, I set my boom box beside it on a camping table. Then setting the volume high I began to strip

off my clothes until I was totally naked.

At first there was no response, but after a while I heard Rob calling over the wall to ask me to turn the music down. This pissed me off a bit, but then I saw the funny side and, giggling, called back that if he wanted me to do that he would have to come over and make me.

To my surprise, Rob swung himself over the high wall dividing the properties. Truthfully, I had not really believed he would rise to the bait. His eyes roved over my naked body and I squirmed a bit, not really knowing how to play this one out - suddenly realising I was not really as experienced as I'd believed.

Rob turned the music

down, and asked me what I was playing at, adding in a slightly choked voice that if I didn't cover myself up he would not be responsible for what happened next! I laughed shakily, saying boldly that I would like that very much, and reached up to him for a kiss. He started to push me away saying that I was too young and he would end up in jail when in frustration I shouted at him that I was "damned well 19!"

That changed everything. Rob smiled, then

gave me a punt-up over the wall to his side, following after me.

Scooping me up, he carried me inside and up to his bed. He stripped quickly and I was

“As his lips and tongue continued to work on my pussy his fingers played with my nipples.”

astounded at his muscles. His hard chest was lightly haired and his cock was already fully erect.

I was grateful that he was an experienced lover as he began slowly, touching me gently between my thighs as he parted them, kissing and gently nibbling. My pussy throbbed and I felt my juices flow even before he touched it.

His tongue probed my fleshy pink folds and when he sucked on my labia, pulling the sensitive lips gently with his lips and teeth, my back arched and my thighs spread even wider in frantic invitation.

As his lips and tongue continued to work their magic on my pussy his strong fingers played with my nipples, pulling and rolling them until the attention both erogenous zones were getting sent my body into climax and I came long and hard under his experienced tongue and fingers.

He slid up the bed, kissing me hard and I felt his big cock poking against me. I reached down and took it in my hand, wanking it gently as he held my face and pushed his tongue inside my mouth. It felt so naughty yet exciting tasting my own juices from his lips and my hold on his shaft grew stronger as I felt it pulse in my slowly moving fist.

Rob sat up on his heels and I slid between his legs and pulled his cock into my mouth, my

hand cupping his balls. I tipped my head back so I could take him deeper inside my mouth. I sucked him hard, licking his cock-head every now and then, until eventually he pulled away and, smiling widely, repositioned himself and slid his huge hardness inside my pussy.

I gripped his shoulders and wrapped my legs around his back as he began to fuck me, gently at first, but I wanted more so I asked him to fuck me harder. In and out he pounded my hot slit, using long hard strokes before upping the pace. The harder and faster he pounded the better I liked it and soon I was squealing with joy as his big cock satisfied me utterly.

I was still gasping for breath when slowed, paused, then emptied his balls inside my pussy, propelling me into an even more incredibly powerful orgasm as I came again, really suddenly, my vaginal muscles gripping his pulsing shaft tightly as they clenched in a tremendous spasm and contracted around his wonderful cock.

STELLA

Photos: Sage Style

Here at *Men Only* we're all in favour of gorgeous blondes with lovely boobs, so when Stella got in touch a while back asking if we'd like to shoot her, we didn't have to think too long and hard about it. In fact a millisecond was all it took, and within the week we were waiting anxiously as she prepared to peel...

Well, as you can see, it all went off rather well – we did our best to gaze into those deep brown eyes of hers, but it's not that easy when a girls fingering her snatch for you! Luckily for you lot, you're perfectly at liberty to look at whichever bit of her you like the best. Now that we've had a proper look, we'd recommend the following, in no particular order... belly button, left shoulder, chin, ankle (either) and forearm (left again).

Mind you, you'll have your work cut out, because the girl herself seemed utterly determined to draw the camera to her juicy pussy, bum and boobs. Honestly, what is it with these girls?!

INTERVIEW

“Sometimes I’m booked for anal but I ask for a double penetration, just because I want more cock...”

Hannah WEST

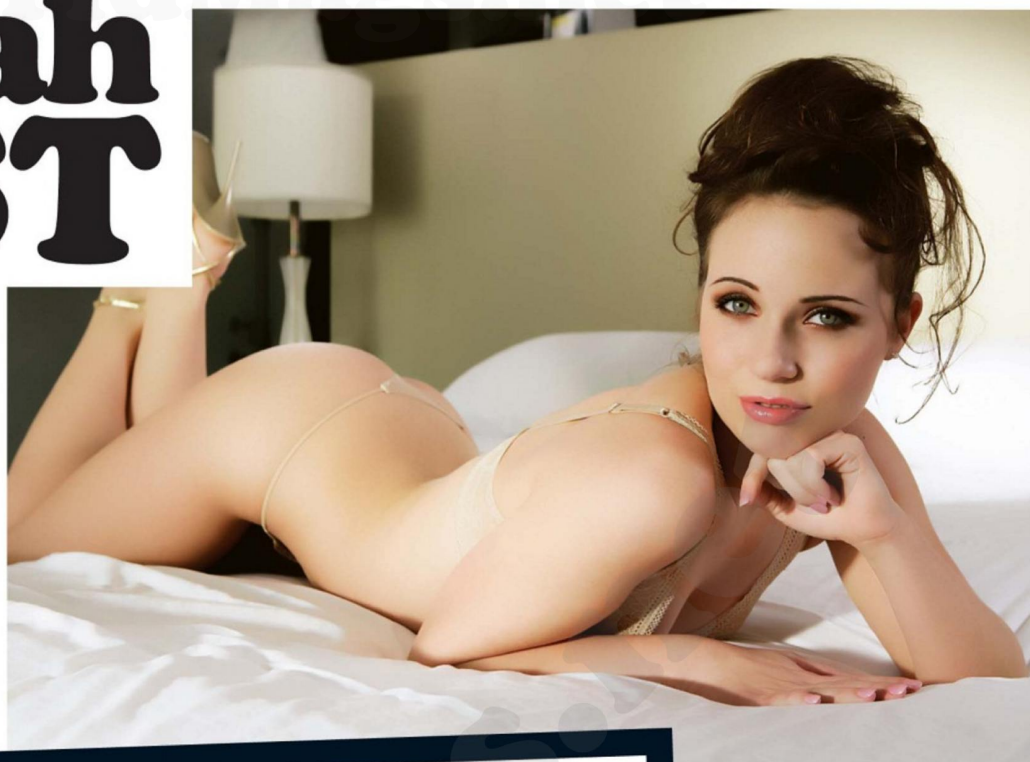

When Hannah West was twenty, she left everything, including an overbearing boyfriend in her hometown of Auburn, Alabama, and decided to change her life. At the time, the all-natural 5'7" brunette was in college. Life was a major struggle as she was pre-med and knee deep in bills and books. One day, while playing on the computer,

Hannah typed in "porn star jobs" and within 2 hours, she had an agent.

For her very first sex scene in Los Angeles, Hannah proved that she isn't intimidated by dick, in fact she loves to take on more than one at once and her first few scenes were DPs. Needless to say, this is highly unusual for a young starlet, but Hannah just shrugs it off like it's no big deal.

During her first three years in the adult industry she has featured in a huge number of films which fall into a variety of niches including anal, young, gonzo, POV and oral.

Some fans think Hannah bears a resemblance to Cameron Diaz, and they love her for her big eyes, tight body and somewhat over-sized bottom. She is bright, funny, and outgoing - in addition to her other qualities of hotness and cuteness...

So tell us about your impressive anal ability!

I started having anal sex at eighteen so I already knew how to. Doing it on camera is no big deal. 90% of my scenes are anal because I like it. Sometimes I'm booked for anal but I ask for a double-penetration just because I feel like having more cock!

It sounds like you were quite wild as a teenager.

I first had sex at fourteen with a guy I seduced to get my curiosity out of the way. I really liked it. Then I had a boyfriend for a long time. But I dumped him when I started doing porn. I knew he would never approve so I called him on my first day on set and broke up with him just as some porn guy was busy fucking my ass...

How cruel!

Yes but he was too sensitive to date a porn actress. Now I have a new boyfriend and he is not the jealous type at all. It's an 'open' relationship. He likes the act that I bring home all the tricks of the trade at night, and he loves to hear about the girls.

Since you are already doing so many anal scenes,

“My mother is my biggest fan. She asks me for blow-job advice sometimes.”

what are some other unusual kinds of scenes you get booked for?

They book me for rim jobs. And I have done a lot of toe sucking; that's a little unusual, I guess.

Do your friends and family know that you are in the industry and do they support your decision?

Yes. My friends are intrigued and my mother is my biggest fan. She is such a feminist. She doesn't watch my scenes, but she will look at my pictures. She asks me for blow-job advice sometimes, too.

Really? What do you tell her? Do you have any porn tricks?

Oh yes, For a really sloppy blow-job, I sometimes eat a piece of sour candy beforehand. It tends to make my spit thicker, and I usually have more of it as well. It becomes like lube in your mouth.

What lucky guys do you choose for

your scenes?

Mostly the old-timers; the ones you have seen in millions of movies. I like that they are very experienced. Older is better. I have done a lot of scenes with old guys.

What type do you usually go for in real life?

I prefer nerds (*Get in!* - Ed), because I'm a bit of a social phobic myself. I'm not the girl you call when you want to go out and party. I don't drink and I don't like big crowds. You call me when you want to stay home, read a book, and fuck.

Any girls?

I'm turned on by girls who are very slender and natural, like me. Jenna Haze is a favourite.

Would you consider changing your body?

I was briefly contemplating getting a boob job in the beginning of my career, but I decided against it. I'm in support of the natural look.

What's a surefire way to make you come?

I always come when I'm on top; you can fuck me either vaginally or anally.

What are some of your

hobbies?

I write poetry; in fact when I was younger I wanted to be a teacher and a writer. I have an entire collection of poems and novels that I wrote as a kid.

What made you interested in entering the adult industry?

I was always interested in fucking while people watched or knowing that some chuck was getting his rocks off by thinking of me, or watching me. I would watch porn and visualize me as the chick getting railed. So when this opportunity arose, I jumped in head first. And now this fantasy gets played out often thanks to my fans.

Anything else you would consider doing for a living?

Well, I'm in med school so that takes a lot of time. But I will stay in porn until all my fans have grown bored with me. I really enjoy it. I'm a normal person but love being a porn star!

Phew – Angela here doesn't look like the kind of woman who'd put up with too much shit from her lovers, does she? We're not sure if it's because she half puts us in mind of a ringmaster in that top hat, but as soon as we clapped eyes on her all we could think of was her cracking the whip and breaking her guys balls if he got out of line. It turned out, though, that rather than being a lion-tamer, she was more like a little pussy cat!

"I don't always dress up like this!" She was quick to point out. "I'm always very eager to please when I'm with my lovers! And besides, I've always found that they never seem to step out of line too much when they're going out with me!"

We bet they don't! With an astonishingly sexy woman like you to share their nights with, we can't imagine they'd even want to step out of bed!

WEB RAT

A collection of all the weird and wonderful stuff we've found on the web this month. And if you've stumbled upon a great site you'd like us to feature, drop us a line at menonly@paulraymond.com!

NICE AND TIDY... AND GETS RID OF THE FORENSIC EVIDENCE

<http://www.howtocleanstuff.net>

Interestingly enough, I recall fictional New Jersey hitman Silvio Dante reading a book with this very title in the back room of the Bada Bing nightclub in the penultimate episode of *The Sopranos*, when they were planning to take out a few former chums and things were likely to get messy.

That's right, friends...

Whatever you've managed to make filthy, this site claims to be able to tell you how to clean it. From car tyres to LCD screens, paintings, golf balls, fake plants, cookies (the sort in your browser), all types of furnishings and floors, venetian blinds, garments, pets and even grubby people.

The handy tips just keep coming: "How to Remove Fingerprints from Wood Furniture", "How to Clean A Coffee Pot", "How to Remove Burn Marks from Granite Flooring",

"How to Remove Windshield Scratches"...

I'd conclude that it's one of the most sensible as well as practical sites on the Net except for one thing: the huge and complicated section devoted to the many ways in which you can successfully "polish a turd". Yes, you heard me.

The long, preposterously expensive and utterly pointless methods for cleaning a crap include how to polish one up using a rotary tumbler, employing large amounts of silica sand and drying them *en masse* in a bucket, and shining your dung (or that of a friend or colleague) using a vibratory tumbler and alumina or cerium oxide.

According to the webmasters, most methods of polishing a turd until it sparkles take approximately a month. This being said, I can't help thinking that if a thing's worth doing, it's worth doing properly. But hey - that's just my opinion.

THE MAN WHO APPEARS IN PEOPLE'S DREAMS

<http://www.thisman.org>

Okay. This is a spooky one. According to the site, every night throughout the world an unknown number of people dream about this one anonymous man's face.

Seven years ago in New York, a psychiatrist's patient sketched the face of a man who had been appearing repeatedly in her dreams. The woman had never met such a man in her life.

The portrait lay on the psychiatrist's desk for a few days, then another patient noticed it and exclaimed that this same anonymous man often visited him in his dreams. The psychiatrist sent the portrait to some of his colleagues who had patients presenting recurrent dreams. Within a few months, four patients recognised the man as a frequent presence in their own dreams. All the patients referred to him as "THIS MAN".

Since then, more than 2,000 people have claimed they have seen the man in their dreams - all over the world, from Los Angeles to Berlin, to New Delhi, even Moscow...

The aim of the website is "to help those

who have seen this man in their dreams and to foster communication among them" and "to understand who this man is and why he appears in the dreams of such diverse human subjects".

Several theories have been developed to explain

the mysteriously presence of this man in people's dreams. One is that, in accordance with Jung's theory, this man is an archetypal image belonging to the collective

unconscious who may surface in times of hardship. Another theory is that this man is a real person who can enter people's dreams using psychological skills.

Some people even believe that "behind this man is a mental conditioning plan developed by a major corporation."

I am writing this in the middle of the night and am shitting myself in case I nod off.

QUICK PICKS

Very, Very Veteran Actor

<http://keanuisimmortal.com>

A modest but fascinating neuk on the Net which contends that Matrix star Keanu Reeves cannot die or even age. To prove this they show photographs of Keanu taken in 1994 and 2008, claiming they are identical. This is the first of many "proofs". Second is that "being immortal he has lived through time with many identities".

Among the "confirmed" ones (with supporting portraits and photographs) are Charlemagne (748-814 AD) who they imply faked his own death, and doctor and actor Paul Mounet (1847-1922) who supposedly died in 1922 though his corpse was never found. Intriguingly, the Mounet photo in particular shows a marked resemblance.

And the "third proof": "The kindness he possesses" is the product of "a long and sage life. Keanu decided to give away £50m pounds (out of £70m) of his earnings from *The Matrix* sequels. 'Money is the last thing I think about,' he has said. 'I could live on what I have already made for the next few centuries'".

<http://www.wondermark.com>

WonderMark is the online home of David Malki's peculiar twice-weekly cartoon strip of the same name featuring public domain Dickensian illustrations wherein Victorian and Edwardian men, women - and sometimes animals and objects - interact with one another.

The strips are certainly original and usually terminate with a punchline you won't see coming. Then again, that could be because, though clever, none of the ones I looked through were especially funny.

But hey, you may feel differently. Give it a try.

A celebration of telegraph poles and all that they "stand for"... though the webmasters openly trumpet their total disinterest in - and woeful ignorance of - "the sparky stuff" which runs through the wires. They are simply

attempting to honour the actual wooden poles themselves, which they describe as "much ignored pieces of rural and urban furniture".

They want to

showcase poles "from the simple, through the interesting, to the hieroglyphics [carved into the older ones]." There is even a Pole of the Month.

Generally speaking the wonderful Paige Turnah is someone we're more than happy to see the back of - it gives us the chance to check out her incredible jacksie, after all! However, just before we'd booked her in for this shoot we started to hear rumours that she might be jacking in the business before very much longer. Tell us it ain't so, Paige!

"I'm afraid it is!" she informed us, confirming all our worst fears. "I've had a fantastic time in the last couple of years, and met (and shagged!) some really wonderful people, but this was always something I anted to try for a while before ducking out and trying something new. I like setting myself challenges, and having reached a certain stage in my modelling career I felt I'd ticked that particular one off, so it's onwards and upwards for me!"

Well, what can we say? Hats off to the girl for knowing her own mind, but what a tragedy for the rest of us! And for the time being, at least we've got her (incredible!) body of work to remind us what a spectacularly sexy girl she was!

DVD
of the
Month

9/10

Just in case you missed the fact, this year saw the release of a biopic of our very own Paul Raymond, the man who in the course of a 50-odd year career went from a second rate mind reader at seaside shows to the richest man in Britain thanks to a publishing empire founded upon this very magazine. Well, we dare say you went to see it at your local movie house, but now here comes the Blu-ray and DVD release!

The great man himself is played with evident relish by Steve Coogan, taking a break from *Partridge* and (according to some reports), making

the most of a role that involved more tits and bushes than a hardened twitcher would come across in a lifetime. It's not just a *Carry On* style caper, though – the film's just as much about PR's personal life (and particularly his relationship with his daughter Debbie, played with touching vulnerability by Imogen Poots). There are plenty of other familiar faces in there as well, with David Walliams, Stephen Fry, Simon Bird to name but three cropping up in minor roles. A fascinating tale ably handled by Director Michael Winterbottom.

Quest For Fire

Second Sight

We've seen plenty of films in which the only dialogue is grunting, but this is the first where the grunting in question was scripted by Anthony Burgess! It's a prehistoric romp in which Everett McGill plays a kind of cro-magnon Barry Gibb, leading Ron Pearlman (in almost no make-up) and Nameer El-Kadi to try and get some more fire after theirs goes out. Along the way that run into cannibals, get adopted by some mammoths and learn how to have sex in the missionary position (thanks to obliging Rae Dawn Chong). Definitely a step or three above *One Million Years BC!*

Evil Dead

Studio Canal

I suppose if anyone's got the right to 'reboot' Sam Raimi's 1981 classic *The Evil Dead* (and drop the definite article while they're at it) it's Sam Raimi himself, along with veterans of the original Rob Tapert and the great Bruce Campbell. You all know the plot – a handful of youngsters gather in a remote cabin and, well, rather unwisely unleash all sorts of evil spirits by reading from *The Book Of The Dead*. You'd think kids would have learnt by now, wouldn't you? Still, cue some cracking shocks and not a little gore in what's one of the best schlockers of the year.

Boardwalk Empire Season 3

Warner Home Video

In the pantheon of great HBO series of recent years this one's slipped under the radar a little bit, and to be fair it is a bit of a slow burner. Steve Buscemi plays Enoch 'Nucky' Thompson, a corrupt city official in Prohibition era Atlantic City, and he really gets his (slightly wtonky) teeth into the role! Season two finished with a pretty brutal denouement and this season picks up where we'd left off. And for those who've stuck with it, things really start to pick up this time round. High quality telly that's meticulously scripted and realised.

Possession

Second Sight

Another cracking Blu-ray release from Second Sight this month! Isabelle Adjani and Sam Neill play a couple whose marriage is falling to pieces pretty spectacularly. So how come the film ended up banned in this country as a video nasty? Well, because Adjani is carrying on with a terrible demonic creature that, as well as satisfying her sexually, has a pretty nasty streak. Nominated for both a BAFTA and the Palm d'Or in 1981 (indeed Adjani deservedly won Best Actress at Cannes) this is a cut above your typical horror.

GAME

Splinter Cell Blacklist

Ubisoft
PC, PS3, X360, Wii U.

11 years after the very first *Tom Clancy's Splinter Cell*, here we are welcoming the 7th in the series, and as you might expect, things here follow on pretty closely from 2010's *Conviction*. Counterterrorists Third Echelon are discredited after earlier misdemeanours, so they're promptly shut down and replaced with the imaginatively named Fourth Echelon, with SC veteran Sam Fisher once again at the helm. And it isn't too long before a bunch of sneaky terrorists are planning a series of whopping attacks on US soil, giving Sam and the lads their chance to spring into

action. And speaking of action, how's the gameplay...?

Well, they've introduced a new mode called Killing In Motion (nothing to do with John Barnes or New Order) which allows you to scamper round in your third person persona and, like, kill people while you're still moving. It takes a bit of getting used to, but adds a welcome new twist to the traditional gameplay, especially if you use the Kinect doofah. As far as stealth shooters go, this one will tick all the boxes you could hope for, and a couple more besides...

OLLIE WOOD

My boyfriend Ollie and I are pretty liberated when it comes to our bodies and sex; we are both totally comfortable going to nudist beaches and we both get a thrill from 'danger sex', as we call it – you may just think we're exhibitionists, though! We're not into dogging, as to us, sex isn't a social thing – we just like to do it where there's a risk that we'll be caught red handed. The thrill of someone seeing us – even just a bit – adds enormously to our sex lives. Naturally, none of our friends know about this, as it's not the sort of thing you bring up in polite conversation. It's just a sexy secret my boyfriend and I share. That's why I'm writing to Men Only – I'm dying to tell someone about an experience that happened to us a while ago, but I can't very well tell my friends as they're way too straight-laced for me to dare to broach the subject with them.

Anyway, a couple of months ago Ollie and I went out for our usual walk at some woods a few miles from our home. Sometimes we ramble for hours through the beautiful forest, simply enjoying being outside

in the fresh air with no one else around. The woods aren't known for any sexy shenanigans going on in them, although I admit we've fucked there a few times. However, it certainly isn't like the local dogging sites which are well reputed, and which we steer clear of.

That particular Sunday, we were exploring the forest for a new fuck place. Ideally, it would be somewhere just off a path, so there

“I rammed back harder on my boyfriend's dick as he ploughed into me.”

was the possibility of someone passing by, but I didn't want us to be too exposed so it had to be somewhat covered, so we weren't too obviously visible. As we wandered on, keeping an eye out for the perfect shag spot,

we heard a faint moaning. And it definitely wasn't an animal or a 'person in distress' moan – this was the sort of moaning you hear when a man's cock hits a woman's sweet spot! We looked at each other, grinning like a pair of idiots before we decided, silently, to follow the sounds. As we crept towards the groaning we finally

saw, low and behold, a couple who had obviously just started to get down to some dirty business, in a clearing about ten metres away.

I'm not sure if we made a noise or they could just feel our eyes on them, but suddenly the couple stopped and stared at us, startled (and, judging by the girl's face, more than a little embarrassed, too). Ollie thought quickly and pulled my top up to reveal my tits, so that they would know that we weren't going to call the police, or anything. They looked at us for a few seconds, obviously unsure of what to do, so Ollie licked one of my nipples and leant me against a tree to kiss me. I couldn't believe that we were going to start getting in to each other in front of this couple of strangers – it was like our exhibitionism had skipped a few steps and had now led on to voyeurism, too!

I realised that if we were going to do this, I wanted to do it properly and go one step further than just having the necessary bits uncovered like the other couple – I wanted to be completely naked leant against that tree, while my man fucked me!

I stripped off,
and Ollie did
the same,

grinning at me the whole time. The other couple had returned to shagging each other now, but their eyes were glued on us, and the show we were getting ready to put on!

Ollie sucked on my nipple as his hand felt its way between my legs, probing my fanny, which was already soaking wet due to the situation we found ourselves in. I reached down to wank his cock and, wrapping my hand around its ample girth, I wasn't surprised to find it was at maximum hardness. Feeling extremely kinky, I watched the other couple over his shoulder. They were stripping off completely now, as if they didn't want to be outdone in the exhibitionism stakes! Seeing them naked and getting back to their fuck made my pussy even wetter, and fumbling around with each other's genitals just didn't enough to satisfy my appetite suddenly!

I dropped to my knees and, licking around the rim of his helmet, took Ollie's cock into my mouth.

aching to feel Ollie's cock up there.

I stopped giving him head and stood up. Putting my hands against the tree, facing it and leaning forwards, I invited

"I imagined what the other pair would see – Ollie's cock pumping in and out of my pussy."

find my wet hole, making me gasp a little as he pushed his way inside, filling me up entirely.

The other couple had switched to doggy, side on to us, so we had a perfect view of everything. I could see the guy's cock ram in and out of her twat – it was such a horny sight! They were both watching us too, which made it even sexier!

Ollie fucked me hard, and I imagined what the other pair would see – Ollie's cock pumping in and out of my pussy and my tits bouncing in time with his thrusts. I heard a yelp from the woman; she was coming and couldn't keep herself from crying out. I was getting quite close myself, so I rammed back harder on my boyfriend's dick as he ploughed it into me, causing my climax to start welling inside me. The other guy pulled out and shot spunk over his woman's arse cheeks – all the while looking straight in my eyes, which sent me over the edge and I came, my body trembling uncontrollably, even calling out an involuntary, "Yes!"

Ollie took that as his cue to let go, and instead of coming inside me as he usually would, he pulled out and shot his jizz over my bum cheeks.

We didn't hang about, wiping ourselves clean and getting dressed; as did the other couple and we went our separate ways without exchanging a single word. It was the sexiest thing ever and it happened completely

spontaneously – I think that's what made it so good!

Judy, Sunderland.

"Ollie sucked on my nipple as his hand felt its way between my legs, probing my fanny..."

I couldn't see what the other couple were up to, but that didn't matter – I knew that they would be watching us. I sucked Ollie in as much as I could, until I felt him touch the back of my throat, before letting him fuck my mouth. My pussy was dripping now, and I was almost

Ollie over by wiggling my naked bum at him, knowing I'd be able to look over and watch our audience. Ollie pressed against me from behind and I felt his stiff prick

BROOKE OF LOVE

I currently live in a student house with a couple of guys and two girls, one of whom, Brooke, was good friends with my best mate Dean before she moved into the house. She's well fit, with long, brown hair and beautiful big eyes, and I couldn't believe that Dean hadn't tried it on with her – especially as he's been known to be a bit of a ladies' man (actually, more slag than ladies' man!) around a good looking girl.

Brooke is one of those girls who seem to be totally at ease with her

“She slid down my body, dragging her tits either side of my cock...”

sexuality and wanders around the house in shorts and tight vests without a bra – not that I'm complaining, you understand! I've lost count of the number of times I've had to go and sort myself out after seeing her pert tits trying to escape the little vest top she's squeezed herself into, while she pads around the living room. She's a

that house was virtually impossible, there was always someone around. Last week, however, I got my wish – thanks to Brooke's forgetfulness and my perfect timing.

We were the only two in the house and I was in my room with my music

think twice as I opened the bathroom door to go for a piss. I was met with the sight of Brooke's gorgeous naked body, bending over as she dried her feet. I was so gobsmacked I couldn't move, so I stood, fixed to the spot, gawping at my beautiful – and very starters – housemate. Looking up and noticing I was there, she really shocked me by barely flinching, but instead smiling at me, invitingly. I felt myself blush. “Oh, I'm sorry... I

“Reaching round her body, I grabbed hold of her peachy arse.”

didn't realise...” I stuttered and began to back out of the room, keeping my eyes on her lovely taut body, however. “Yeah, I bet you didn't,” she replied sarcastically, and without waiting for me to reply, continued, “I know you fancy me, Nath, Dean told me.” My face flushed with embarrassment, which she chuckled at, but she then reassured me by saying, “It's okay, Nath. I'm really flattered – I think you're sexy.”

I couldn't believe what I was hearing, but removed my hand slowly from the door handle. “Do I live up to your expectations?” she continued, standing confidently with her hands on her hips. I was only wearing tracksuit bottoms and was suddenly very aware that my growing hard-on was now clearly visible – I think it may have answered her question! Instead

real flirt and I was pretty sure that she fancied me – although she'd never actually said so – but getting her alone in

blaring. I assumed Brooke was in her room, too, so I didn't

may have answered her question! Instead

of putting her towel around her, she stepped towards me and, without hesitation, wrapped her arms around my neck, pressing her naked, slim body against me. Kissing me, her moist tongue snaking its way into my mouth as she reached down, pushing her hand into my bottoms and pulling my cock out, triumphantly.

My prick now fully erect which seemed to please Brooke, who was grinning broadly as she tossed me off, the tip of it rubbing against her soft belly button. Reaching around her body, I grabbed hold of her peachy arse, which was still a little damp from the shower and, after weeks of watching it beneath clothing, ran my hands over every inch of it. We were pressed up against the wall, the bathroom still steamy from her shower, and were groping each other like two teenagers on a first date. I thought of taking her to my room, but was still reeling from the first rush of excitement, and as I was now stroking her arsehole with my finger (which seemed to be sending her wild), I didn't want to risk ruining the moment.

Still with my tool in her hand, she slid down my body, dragging her tits either side of my cock and wanking me with them, which nearly made me shoot my load there and then. Fortunately, I managed to hold it back as she took my bell-end between her lips again and began to circle the head of my prick with her tongue. I closed my eyes as I felt her soft tongue run up and down, enjoying the feeling

of her hot breath on my shaft. I had to once again bite down on my lip to stop myself from climaxing, as she went to work on my rock hard prick. Glancing down, I saw that Brooke's eyes were also closed as she took long strokes of the side of my rod with her tongue, her wet

hair half stuck to her face – it looked so ridiculously horny!

As soon as she took me fully in her mouth again, feeding me to the back of her throat, I could feel myself about to explode. It was hardly fair to keep it in her mouth in case she didn't swallow, so I pushed her head gently off it in plenty of time before I

came. Then, to my utter delight, she knelt right back up again, gripping my meat at the base and holding the helmet between her breasts. In seconds, her chest was coated with my creamy spunk and she watched with a big grin on her face as the final drops oozed from my cock, over her erect nipples. I can honestly say it is the most I have ever come in my entire life!

Once we had both got our composure, Brooke wiped herself dry with the towel, wrapped it around her and came back in for one final long, passionate kiss. When we finally broke away, she simply said, "Don't tell anyone,

"Her eyes were closed as she took long strokes of the side of my rod with her tongue."

especially Dean," and dashed back to her room. Whenever we see each other now, we give each other a knowing smile and there's a definite spark between us. I'm desperately waiting for another opportunity for us to get together again – but hopefully to fuck her as well, the next time. Meanwhile, I've kept my word; I haven't told anyone about our little tryst... apart from you, that is!

Nathan, Bristol.

Plenty of British babes in action this month, which must be music to the ears of George Osborne! Assuming they pay their taxes, that is. Mind you, even if they don't we're not complaining...

Call Girls

Bluebird Films

4/5

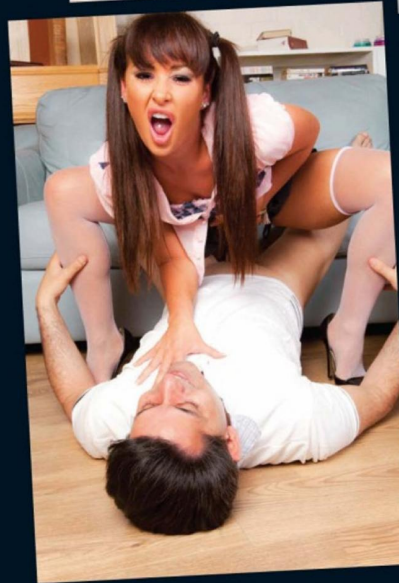

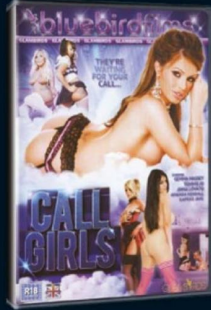

Cast: Gemma Massey, Tommie Jo, Anna Lovato, Amanda Rendall, Caprice Jane.

Once upon a time UK grot had a reputation for being, well, a little bit grotty. There'd be malnourished looking studs sticking it to rather desperate looking girls in fairly insalubrious surroundings and that was pretty well our forte. The glummy stuff was left to the Americans, who had a much bigger budget and could actually afford make-up and hair styling – not to mention lighting and an actual cameraman or two. Thankfully things have come on a good bit since then, with companies like Bluebird and Harmony actually putting in the hard yards, and this flick sees five top notch British babes getting a seeing two – and not one of them in a council flat style location!

Lovely blonde Caprice is first up, giving it some naughty talk on the blower and grinning like all her birthdays have come at once. But no, it's not a birthday that turns up, but stud Paul, who wedges his old chap in her accommodating cakehole and, well, things progress from there very satisfactorily for the pair of them. She really is a pretty girl, and looks bank on as she takes a drilling in various positions before getting a helping of trouser custard that she's more than earned.

Amanda gets a similar going over, and one of the nation's all time small titters Anna Lovato keeps the ball rolling in fine style (with a top notch 69ing thrown in or good measure). Then it's time for the big hitters – Gemma and Tommie Jo. Can you imagine how horny their scenes are?

Well quite! Available from your local sex shop.

Fuck Me In My Jeans

Private

Cast: Samantha Bentley, Henessy, Ava Dalush, Tara Blows, Tiffany Doll, Mira.

Those guys over at Private do like a theme if they can get one – girls with pigtails, girls on rollerskates, one armed girls from Riga... anyway, this time they've got something that's not too hard to rummage up – girls wearing their denims! I'm not sure it that's a particular kink or not, but really the trousers are neither here nor there (they're generally round the ankles, if you want to know) – what we have here is a gonzo flick that's got a damn fine cast, headed up by Brits Samantha and

Ava. Sam gets the balls slapping, taking on a trio of cocks and quickly finds herself in the middle of the sort of DP she seems to be making her trademark these days – frantic and full-on. A blistering opener that would probably have been better saved till the end, but Ava puts in a game enough turn to follow it up. No back door action mind. Lovely Henessy ain't shy to go there, though, and neither are the girls in the bumtastic finale. Shame about the cod Ben Doverly, mind, in which the studs pretend to pick the girls up in the street – we all know they're porn stars, so why pretend otherwise?

Keeping It In The Family

Adult Channel Uncut

Cast: Karina Currie, Emily B, Lou Lou, Carey Harlow, Ely Pink, Samantha Bentley..

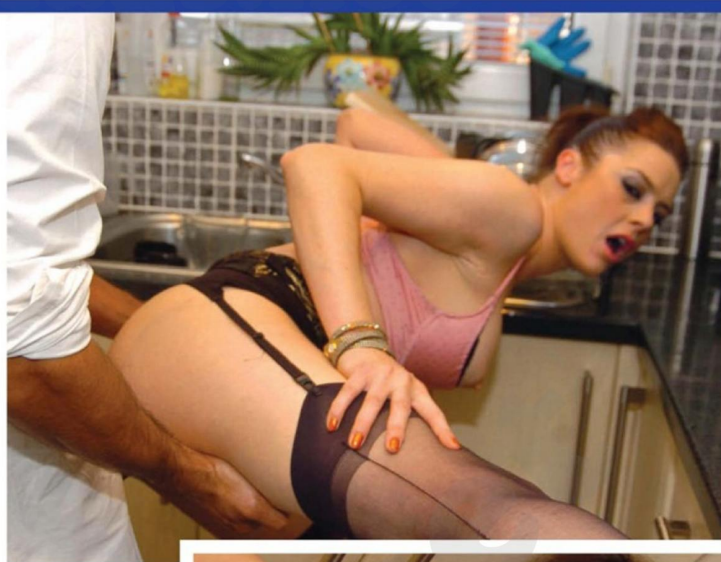

Hmm, are there many male fantasies that revolve around the mother-in-law? Maybe there are – that's why men are always slagging them off, in order to stop themselves admitting that they really want to fuck them. Certainly Demitri, the stud who rules the roost in this flick, has got issues with his ma-in-law Karina, even though you'd think having the luscious Lou Lou as your missus would be enough for any man.

Anyway, no sooner has he popped in on the mother-in-law than she's got his prick wedged down her throat, giving him an epic blowie in the kitchen before bending over the work surface and offering her snatch up for a shafting. They go through the card a bit after that before he finally leaves her, cackling with glee and smothered in nut butter. And what's this – is it all part of some sort of plot to split Demitri and Lou Lou up? Disgraceful!

Next to have a crack at Demitri's pole is Lou Lou's big-titted aunt Emily B, who drags him off to a quiet area of the bar they're in and whips out his overused johnson, basically on the grounds that anything her sister can do, she can do better. She has a bloody good crack, too, if you know what I mean! She looks more than a little wanton as he's splashing off over her giant norks, but dim Demitri's kidding himself if he thinks that'll shut her up! Nope, she shows Lou Lou the footage she's shot of him screwing her mum and, well, that's that... except it's not – Lou Lou's out for revenge! This she achieves by taking on a couple of his pals at once – no DP, but some solid spit-roasting in what's a cracking scene that leaves our heroine glazed with come.

The good news is that the lovebirds finally patch things up, although not before Sam Bentley and Ely Pink have had a poking as well. Everyone ends up a little older and a little wiser, and hey – isn't that really the point of a film?!

4/5

Cotton Tail 2

Score

Cast: Alexis Adams, Ava, Morgan, Bella, Katie, Stacie..

Don't worry, childhood memories of *Watership Down* aren't going to be jeopardised by some sort of bunny themed scruff – I've watched this film (repeatedly) and there's not one rabbit in it. No, the cotton tails in question are rather cute teenies, each of whom starts their respective scene wearing a pair of cotton panties. What with this being the second in the series, it's clearly a theme that's got something going for it.

Cute Katie kicks things off, rather naughtily singing Happy Birthday to herself when her boyfriend pitches and hands her the present that every girl craves most – a pair of white cotton panties. She puts them on, wiggles her arse at him and, well, instincts take over. Nice camerawork for a POV and a great facial and we're off and running. There's plenty more of that, including an anal dicking for blonde Bella. Cute girls, shaven pussies and cotton panties – there are certainly worse ways to while away 130 minutes! **Available from your local sex shop.**

3/5

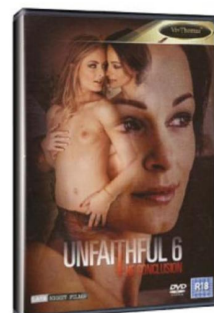

Unfaithful 6

Viv Thomas

Cast: Angelina Wild, Cayenne, Cipriana, Eve Angel, Jo, Lisa, Nesty..

As the number at the end of the titles suggest, poor old Viv's having real trouble trying to keep the seraglio of porno flampers he's got on his books faithful to each other! It seems like the girls really can't resist the opportunity to lez it up with each other whenever the opportunity arises... assuming there's a camera crew in the room with them, of course.

As if to prove the point, Cayenne's out on the prowl in some central European (Budapest, I'll wager) sleazehole, and soon spots Lisa sitting there looking wanton. It doesn't take a huge leap of the imagination to relocate them to a hotel room where they set about sucking and fingering just about every erogenous zone they've got. From there on in things get a bit ridiculous, with subtitles making an appearance as the girls chatter away in their own languages, and things finally winding up to the strains of Puccini! Bonkers, frankly, although the lesbo action ticks quite a few boxes. **Available from your local sex shop.**

WorldMags.net

If you think Sophia here's got a touch of the exotic about her, well - it's because she has! She's got far eastern blood pumping in her veins, and she reckons it drives guys wild...

"I'm not sure exactly what it is, but a lot of men really seem to go for girls from the East," she explains. "Really there's nothing at all that sets us apart from women from anywhere else, but there you go - there's no accounting for men and their tastes!"

Well, speaking on behalf of men and their tastes, we don't think it's especially odd that they should go for you - you're absolutely gorgeous! Just because fellas hit on you, it doesn't necessarily mean they've got a particular kink for the orient!

"Hmm, perhaps you're right - I hadn't really thought of it like that. Still, from a few conversations I've had, I know for a fact that lots of men suspect if got some mysterious techniques to use in the bedroom..."

Bloody hell - can you imagine sharing a night with a woman who not only looks like this but who also has some crafty bedroom skills. So, er, do you?

"Ah, now that would be telling, wouldn't it?!"

MARSHIA

Photos: Exposurezone

WorldMags.net

Lights, camera... action! Yep, *Men Only* newbie Marsha was more than ready to roll by the time we started shooting this set.

"Just the thought of stripping off for you guys has got me really hot under the collar," she confessed. "And these studio lights and everything are making me very horny. Can I take my clothes off now and play with myself before the tension gets too much?"

Well, we're not normally the types to say no to a request like that, so we got everything ready just as quickly as we could so she could crack on – and crack one off.

It turns out that being photographed in compromising positions is something of an obsession for Marsha, and she even took a few piccies herself for her own private collection... before turning the camera on us. Christ, we hope those pictures never see the light of day!

Coming next month

Issue 78.10 on sale
September 20th

Ah, we've got some right treats up our sleeve for next month, including the pool-tastic pairing of Gemma Perry and Sammi Tye, two of the tastiest hotties this country has produced in the last year or so. If you think you're man enough to take what they've got, then you know where to find us. Oh, and that's even before we mention another newbie in Jenny... and Sophia Knight, as the naughtiest doctor since Harold Shipman!
